Besides a rather late start, good food was had by all. Two new faces were present from Kyrgistan and from the Dominican Republic.

It looks like our group renewal is in process according to the updated bank statement. The group decided to send \$300.00 through the ICCF to help with US Disaster Relief. Next month is our Christmas get together where we will meet and finalize next year's calendar. This includes a speaker for our February meeting.

Also, by request, I have created a Yahoo Group for everyone to signup and receive announcements about upcoming events. I will take down the existing BBS in its place. [Go to Yahoo Group Signup Page](#)
